My dear Pantji,

I have just received your kind letter of September 27 enclosing a copy of Pataskar's Report regarding adjustments to be made on the Andhra-Madras Border. I am grateful to you for the same. I hope that we will be able to adjust our boundary disputes with Madras, Kerala, Andhra and Maharashtra amicably and if possible without reference to any arbitration. I am meeting Shri Sanjeeva Reddy on the 5th and 6th at Tungabhadra and hope to take up our border question for discussion.

With pranams,

Yours sincerely,

(S.Nijalingappa)

Minister for Home Affairs,
Government of India,
